P.S. Kathy Visas and I have been tallying up the numbers, preparing for next years budget. We now

sponsor classes attended by 1297 students, 751 of which are girls. Five years ago there were 90 boys and 40 girls.

That's one thing about becoming involved in supporting education. The fourth grader expects there to be a fifth grade next year. Our commitment can't be any less than theirs. Help!!! We don't have an exit strategy!!!
